

DOPPLER BLOOD FLOW MONITOR RENTAL PROGRAM

When you need temporary access to a blood-flow monitor, our rental program provides an easy solution.

Need a backup monitor while one is being repaired?

Want to use a monitor for a particular case without buying one?

Want to try out a monitor before purchasing?

If so, follow these steps:

Step 1

Contact your Cook representative to express your interest.

Step 2

Receive a quote, a request form, and a contract.*

Step 3

Complete the request form, sign the contract, and submit them with your purchase order to your local Cook representative.

Step 4

Receive a Doppler monitor and a return shipping label.

After four weeks, your local Cook representative will contact you to either arrange a return of the monitor or process an extension of the rental agreement.

**The contract for the rental program is standard and not open to negotiation.*

Terms

- Rental period is **four weeks**.
- **Cost of rental is \$1,000** per four-week period.
- Customer is responsible for buying probes and extension cables.
- Unit **must be returned within 10 days** after the rental period ends.
- A new purchase order is required for a rental extension.
